April 2019

WHAT WILL I LEARN?

Our comprehensive and interactive 2-day training experience will equip you with a practical understanding of the following essential knowledge of a Quikshot™ Strategy Workshop.

- Philosophy – concept of Quikshot™ and VIYOP
- Purpose and objective of a Quikshot™ Study.
- Characteristics of an effective Quikshot™ facilitator.
- VIYOP – the desired outcome of Quikshot™
- The LCOE-VIYOP relationship.
- Methods, mediums and meta-planning.
- The Quikshot™ job plan – structure and approach.
- Power and Influence – who we need and what we need.
- The perfect 7 – Essential tools and techniques used in Quikshot™
- Behaviours and constraints – honest wrong beliefs.
- Getting started – plan your first Quikshot™

QUIKSHOT™ TRAINING IS DESIGNED FOR ANYONE WHO IS RESPONSIBLE FOR THE DELIVERY OF PERFORMANCE IMPROVEMENT AND COST REDUCTION DURING THE OPERATIONS PHASE OF ANY RENEWABLE POWER GENERATING ASSET OR PORTFOLIO OF ASSETS (WIND, SOLAR, HYDRO, BIOMASS, ETC.).
